

US IMPORT INBOUND MATERIAL ARRIVAL NOTICE

ASC PT-92 (last updated 09-27-2018- WC)

Date:

To:	From:
Broker Reference No.:	IESR No.:
Arrival Date:	Commodity:
Requisition No.:	AWB No:
	Original P.O. No.:

Material covered by the referenced International Export Shipping Request (IESR) is arriving or has arrived in the US. Before it can be delivered to its ultimate destination, ASC must clear the material through U.S. Customs. To facilitate customs clearance, please provide or verify the information listed below and return completed form to ASCImports@securegl.com.

Should you determine that material covered by the referenced IESR is of foreign origin (manufacture) or fair market value differs from the IESR value indicated below, please promptly advise ASC's Customs broker.

Please be advised that the material is subject to storage charges and fees if this completed form is not returned immediately.
